**TO WHOM IT MAY CONCERN**

The bearer of this letter Mr A N Other is a part time coach driver for Sunshine Coach Tours. We have inspected his records and can confirm that Mr A N Other last drove on a community regulated journey for another company (Bloggs Buses) on August 27th 2009 using an analogue tachograph sheet - a copy of which is attached.

At other times where work has been carried out this has been on special regular service work under domestic rules which do not require tachograph records to be kept or in an administrative role.

Mr Rowe is carrying all relevant records with regard to his driving and other work activities for this and other companies.
